THE INTERNATIONAL MEET OF THE INDIAN OCEAN

The Meet of the Indian Ocean always takes place at the end of the year and is highly appreciated by lots of swimmers from all over the world.

The heat of the tropical summer, the luxuriant beauty of the island natural sites, the friendly atmosphere, have drawn many famous athletes during the last two decades. And very much so since 2005, for they are now welcomed by the local authorities and the mayor of Saint-Paul in a magnificent aquatic centre overlooking the ocean (The IMIO had the honor to make the opening of it).

Athletes from France, of course, from Stéphane Caron to Alain Bernard, Frédéric Bousquet and Camille Lacourt; from Catherine Plewinski to Laure Manaudou. Numerous French records have been beaten at the Meet: the 200 m freestyle and 200 m I.M. by Solenne Figuès; the 50 m backstroke, the 50 m and 100 m butterfly by Diane Bui Duyet; the 200 m breaststroke by Sophie de Ronchi; the women 4x100 m Medley and the men 4x200 m Freestyle by the CN Marseille teams...

Athletes from Russia (Selkov, Korneev, ...), Germany (Buschschulte, Steffen, ...), The Netherlands (Van den Hoogenband, Veldhuis, ...), Italy (Rosolino, Magnini, ...), Ukraine (Lisogor, Klochkova, ...), Romania (Mocanu, ...), Sweden (Alshammar, ...), Austria (Rogan, Jukic, ...), South Africa (Van den Burgh, Schoeman, ...), ...

Some of these athletes have participated in the Meet many, many times, like Martina Moravcova and Diane Bui Duyet; and it so happened that Diane took the 100 m Butterfly European record from Martina during its 20th edition.

Our neighbours and friends from Madagascar, Mauritius and the Seychelles Islands are of course most welcomed. And no doubt this new encounter following the Seychelles Islands Island Games 2011 will be much awaited for.

Moreover, the Reunionese audience take great pleasure in regularly welcoming the synchronized swimming team from France, who, no doubt, highly appreciate this coaching session at this time of the year.

This Meet has another specificity which is very dear to all the members of the local Board for Swimming: along with the local authorities and some private partners without the help of whom it wouldn't exist, it is also financially supported by all the Reunionese clubs. Many, many thanks to all!

May this 23rd edition of the IMIO be the reflexion of the previous ones: a source of motivation for the local swimmers, and a display of what our beautiful island can offer best.
